

2019 Food Vendor Guidelines

Application Process

- Vendors must apply each year.
- Application and past participation does not guarantee acceptance.
- Payments to be sent to *Sally Wilkins*.
- Payments to be made by Visa, MasterCard or Certified Cheque – payable to PPLP
- Balance of contract due June 15, 2019
- Please fill out application in full. Incomplete applications will not be considered.
- Failure to meet application deadlines may result in forfeiture of booth space.

Selection Process

- The BVJ Vendor Committee will determine the number of food vendors, and will limit how many vendors will sell the same type of product.
- Applications are graded on product uniqueness, previous vending experience, history with BVJ, product quality, and overall presentation.

Hours of Operation

Food vendor booths must remain open for the duration of BVJ (hours subject to change). BVJ goes on rain or shine and all vendors are expected to be open during the hours listed unless they are notified by festival personnel. If you serve breakfast, you can open at 7:00am. You may close your booth after the 11:00pm rush if you wish to, but no earlier than midnight.

- Booths must be skirted to the ground.
- Signage must be professional.

Booth Operations Guidelines

- Vendors must restrict all activities to their booth space.
- Vendors may not advertise outside of their booth space including the use of flyers and sandwich boards, unless approved beforehand.
- No space-sharing, subletting, or reassignment of contract to another party will be permitted.
- PPLP provides onsite security, but is not responsible for lost, stolen or damaged property. In case of security issues please notify a visible PPLP staff member or contact the BVJ central dispatch.
- Vendor is responsible for a clean booth area, free of debris.
- All workers must be presentable, dressed appropriately and in proper hygiene.
- Vendors should furnish sufficient change for their sales transactions. BVJ cannot provide change to vendors, the ATM's dispense \$20 bills.

Camping

- Concession camping is located in the back of the Concert Bowl.
- Sites are allocated on a first come first served basis.
- Limit of two (2) camping units per vendor. All extra units will be placed outside of the main grounds.

- Power and water not provided.
- Generators are allowed providing they are of a low noise output.
- Messy campsites are subject to a \$300.00 fine.
- Any damages done to property will be charged to vendor and they will not be asked to come back.

Additional Wristbands / Parking

- All workers must be wearing a workers band at all times at the festival. Any persons on the BVJ site without a band will be escorted out.
- Two (2) wristbands are provided with your package. Any additional wristbands are \$65.00.
- Any additional wristbands required after June 15 will have to be purchased onsite.
- For your convenience, wristbands can be left at the Will Call booth under the workers name for pick-up. Will Call is open daily from 8:00am to 10:30pm.
- Parking is available at the end of the processing lanes for \$10.00/day. A free shuttle service is then provided to Main Street running from 9:00am to 3:00am.

Booth Covering

- All tents used for assembly and/or cooking must be constructed of flame retardant material. If tent has been flame treated, proper documentation to verify is required. No recreational utility tarps are allowed.
- Vendors requiring a tent can rent one from Superior Show Service. *See order form provided.*
- All tents will be staked down by Superior Show Service for a nominal fee.

PLEASE NOTE – IT IS THE VENDORS RESPONSIBILITY TO CONTACT THE LOCAL AHS AND FIRE DEPARTMENT TO CHECK FOR REGULATION UPDATES.

- Vendors must comply with all Alberta Health Services regulations.
- No alcoholic beverages or drugs permitted in rental space.
- Any vendor in non-compliance with the Alberta Health Services regulations will be asked to rectify the issue, failure to do so will result in immediate closure.
- Vendors must comply with BVJ guidelines for the disposal of grey water, grease, recyclables and garbage.
- When using 100lb propane cylinders, the maximum to site is four cylinders; two cylinders are to be connected by a manifold system and two as spares.
- 20lb cylinders must be set in a box or crate and chained together to prevent it from being overturned. Only one 20lb cylinder per tent (properly stored with valve in the closed position).
- Use soapy water to test all fittings and connections for leaks before operating the appliance.
- Use approved appliances only.
- All equipment, hoses, connections, piping and cylinders must be of approved type and in good condition.
- The travel distance to the nearest extinguisher cannot exceed 25m or as required by the Fire Department.
- Cooking appliances shall be operated **at least 1m** from any combustible material, structure or tent or separated using fire rated wallboard, tile or stainless steel to reduce spatial requirements.
- All open flames, hot plates, grills, BBQs and other cooking appliances shall be out of reach of the public. Provide a **1m barrier** around all such appliances to prevent the public from intentional or accidental contact.
- Deep fryers must be separated from open flame grills or devices by a minimum 40cm space or by using a 40cm stainless steel baffle between appliances.
- Deep fat fryers must not rest on combustible material or be situated within 1m of tent walls. The use of non-combustible material such as fire rated wallboard, tile or stainless steel under and behind may reduce spatial requirements.

- Food venues with exhaust hood extinguishing systems shall have an up to date certified inspection and be operational. The proper fire extinguisher shall be provided to supplement the extinguishing agent in the hood system.
- Briquettes shall be wetted down and properly disposed of in a non-combustible container partially filled with sand.

Permits & Inspections

- All festival food vendors are required to complete a Food Facilities Registration Form supplied by Alberta Health Services. This application will be sent to those approved vendors who are invited to vend.
- A Health Inspector and a Fire Marshall will inspect your booth on Thursday, August 1. You are not permitted to open, or prepare any food until you have been approved by both.
- Your booth will have a measurement inspection to ensure correct selling space.
- If erecting your own tent, it will be inspected and if the anchoring is deemed insufficient Superior Show will anchor your tent and charge for that service.
